On January 29, 2025, law enforcement observed Mr. Lovitt make a suspected drug deal in a parking lot. Officers continued to perform surveillance on the vehicle and ultimately arrested Mr. Lovitt at a gas station.

Due to suspicion that there may be illicit substances in the vehicle, a K-9 detective was asked to assist. The K-9 was walked around the offender's vehicle and it alerted near the trunk area, which indicated that an odor of illegal narcotics was detected. In response, the vehicle was towed and a search warrant was subsequently issued. Inside the vehicle, officers discovered three working scales, one of which contained a white residue. They also located an estimated 11 pounds of methamphetamine, \$9,098 in cash, fake U.S. currency, used drug packaging and an additional unknown substance. It should be noted, \$599 was removed from Mr. Lovitt's person at the time of his arrest.

According to the U.S. Attorney's Office, a federal indictment will be forthcoming.

9 **Mandatory Condition # 2:** You must not unlawfully possess a controlled substance, including marijuana, which remains illegal under federal law.

Supporting Evidence: The offender is alleged to have violated mandatory condition number 2, by possessing methamphetamine, on or about January 29, 2025.

As noted in violation number 8, approximately 11 pounds of methamphetamine was seized from Mr. Lovitt's vehicle on or about January 29, 2025.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court.

I declare under penalty of perjury that the foregoing is true and correct.
